

EPIC NEWS

Issue 15 – December 2024

Message from CEO, Tracey Johnson

Welcome to this festive edition of EPIC News!

As we get nearer to the festive season, I would like to take this opportunity to wish our tenants, their family and friends a joyful and peaceful festive break.

I know the past year has been challenging for many, with continued uncertainty in the economy and the resulting cost-of-living crisis have meant daily life is more of a struggle for many. I know the importance of a sense of community and the value of high-quality services. We have worked hard at this during 2024 and will continue to do so as we move into 2025, listening and engaging with our tenants .

I would also like to thank all those partners we work with too for their ongoing support of EPIC and our tenants.

Enjoy the festive season with your loved ones!
Tracey
